Prices of AIDS medicines

672. SHRI VIJAY J. DARDA: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) whether four Indian pharmaceutical companies have agreed to slash the prices of aids drugs and tests;

(b) if so, whether Government would evolve suitable modalities to ensure that the benefit of reduction in prices actually go to the consumers; and

(c) whether Government are launching any national scheme whereby AIDS drugs will be distributed free in areas where the vulnerability of this desease is comparatively more, like North East State?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) No. We are not aware of any such lowering of prices by the pharmaceutical companies.

(b) Does not arise in view of (a) above.

(c) Govt. of India has launched the ART programme in the country from the year 2004 where ARV drugs are provided free to eligible patients. At present there are 52 ART centers supported by Government of India and providing free Antiretroviral treatment to 23, 784 patients. Out of these North-Eastern States have five ART centrers providing free treatment to 1614 patients.

Survey for ascertaining cancer among children

†673. PROF. M.M. AGARWAL: Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

† Original notice of the question was received in Hindi.
